- Minutes were approved from last meeting.
- More is needed for branding Greenfield Soccer Club. The more logo's that are on anything the more the club gets publicity. 890 dollars of free advertising for giving out window decals to promote the club.
- Daddy/Daughter night was a success. Many volunteers showed up to help set up and help clean up. Fuse table for TOPS soccer was also a success.
- Building partnerships was discussed between the Rec team and Shelbyville and NP United.
- **Yard Sign Program** – Parents fill out a form online and get a yard sign advertising the Rec Club out in their front yard.
 - The club will deliver and pick up the sign.
 - Also discussed that parents should be able to have a sign advertising both the club and the child's name on it. Something that the parents can bring out every year and be available online also.
- There was an increase in budget. The Strikers FC will now charge \$50.00 more every year and the Tigers FC will now charge \$5.00 more a year, starting in the fall. With the increase in budget there will be a chance to set up payments for parents to be able to enroll their child for more convenience.
- **No Hassle Fees** - Fees that are set up for the benefit of parents and the club. These fees range from \$25 to \$75 depending on the flexibility of the parents. This was changed from per child to per family, which helps the families afford to enroll their child.

- All the age groups for soccer have increased except the Pele league.
- Schedule:
 - March 10th – Coach's meeting
 - March 12th – First practice
 - March 26th – Spring break
 - April 6th-7th – 1st weekend of practice
 - May 18th-19th – Last weekend for games
 - June 18th-21st – Soccer Camp
- Again this year, Aaron's donated 50 cases of water.
- That Fun Place caused more issues than expected and was voted against for the new year.
- Referee's under the age of 14 age of 14 are not to ref any games at any time.
