

SSA Rec Refund Policy

Period	Refunded Amount (U4 Program)
Prior to last day of registration	100% refund less CC fees
After last day of registration and prior to the first scheduled weekend of games	100% refund less CC fees and a \$20 administration fee
Beginning the first scheduled weekend of games	No refund

Period	Refunded Amount (U5 to U20 Programs)
Prior to last day of registration	100% refund less CC fees
After last day of registration and prior to first scheduled week of practice	100% refund less CC fees and a \$20 administration fee
Beginning the first scheduled week of practice and prior to the first scheduled weekend of games	100% refund less CC fees and a \$30 administration fee
Beginning the first scheduled weekend of games	No refund

Notes:

The administration fee is applied to cover non-recoverable fees paid to City, County, and State entities for per-player costs and registration fees, and for costs associated with the steps involving in processing registrations and assigning players to rosters through the pre-season period.

The refund policy applies regardless of whether a player has actually attended any practices/games.

The refund will be issued by a check sent to the home address of the account holder on file.

In the event of a 'season-ending' injury, SSA, at its discretion, may apply a prorated refund, minus a \$30 administration fee and CC fees, upon the production of supporting documentation such as a doctor's note.
