- Progress on the Memorial Mindy Dunn Shelter House has started. Final quotes were due in this week. started the permit process. Looking to have the project completed by the end of July.
- Strategic Plans. community involvement Great turn out for the race for the cure. Tarrenn suggested a movie night in the park. This would be a great summer/ early fall event. however the cost from the company was way out of budget. However we can do this with a projector screen, laptop and projector all of which I can get from Modernfold. However I don't have access to sound equipment.
- Brandywine Walking Path Project was not selected by the DNR RTP Grant committee. If these funds are available next year the Parks department plans to re-apply
