To Whom It May Concern,

On behalf of the Decatur County Youth Soccer Club, I would like to invite you to support our local program. The Decatur County Youth Soccer Club is a non-profit youth soccer club, offering a spring and fall program for children 4-14. We strive to provide a wholesome environment where children can learn and grow in the sport of soccer. We would not be able to accomplish this without the support of our community sponsors.

At this time we are seeking to fill our Fall 2014 and Spring 2015 team sponsorships. We offer many levels of participation. If you would like to support a team, your donation of \$200 provides your company logo on the team shirt for one season. For \$350 your donation provides your company logo on the team shirt for two seasons.

We also have banners available for \$150 for one year, with a \$75 annual renewal donation, or \$200 for two years.

Additional funds are always needed to maintain the fields, pay referees, provide scholarships and upkeep of equipment. If you would prefer to make a monetary donation, that would be greatly appreciated as well. Whatever your budget, there is an opportunity to help support a great local organization.

I would like to thank you in advance for helping us support our youth and the Decatur County Youth Soccer Club.

Thank you for your consideration,

Katera Huff
