

A player that accepts an offer to play with Warren County Soccer Club commits to pay the entire fee for the full year of soccer.

Payment Options for Club Fees

Families have two options when making club fee payments:

- Fees can be paid all at once upon acceptance. Payments will need to be paid online via credit card.
- Fees can be financed by making a non-refundable deposit of \$130 within 24 hours of the offer being made, and six payments spread throughout the year. Please note if you choose this option, you must sign up for automatic recurring billing with a Visa, MasterCard, or Discover credit card.

These are the only accepted forms of payment.

All fees paid are non-refundable for players that quit once their position has been accepted. In the case of a season ending injury, or a relocation greater than 50 miles, fees will be prorated against the remaining season and a refund will be given. Requests must be submitted in writing to admin@wcsoccerclub.com

Payment Procedure

All deposits are due within 24 hours of the offer being extended. Failure to pay this deposit will result in the position being offered to another player. *There are no exceptions to this policy.*

Failure to pay fees on time will result in the player being suspended from play for all practices, trainings, games and tournaments. Upon receipt of payment, the player will be reinstated. The club Treasurer must be notified in writing in case of circumstances preventing the fulfillment of fee commitments. Extended payment plans will be considered on a case by case basis. All payments must be made online via credit card. The customer is responsible for keeping their credit card on file updated. If a card is declined for any reason, a processing fee could be added up to \$20 per occurrence.
