If you are able to make it up to KC for the games, the boys would absolutely appreciate your support! This is the furthest any team has made it from Springfield (outside of KC and StL teams for that matter). Come cheer on the boys and help make history!!

Each level of success the club achieves sets up the ability for more and more players to reach new heights. It allows others to realize more and more is possible. We applaud every player and team that has set the stone for the next player and team to step onto, both on and off the field. **Will you be next?**
