Springfield Soccer Club 2013 College Commitments (as of 4/1/2013)

SSC would like to recognize the players in our club who are making the move to the college level. The years of hard work, dedication, and time spent practicing to improve both on and off the field have paid off. SSC also has several graduating seniors that have chosen not to play soccer in college. Here is the list of those that are going to play in college. In the past three years alone SSC has seen 41 players move on to collegiate soccer to this date with still more to come. Congratulations, and GOOD LUCK to all those moving on to the collegiate world. We know you will represent SSC well both on and off the field!!
