Vice President's Report:

- Kelly Shiplett with project 10 (Visalus Sciences) introduced healthy lifestyles program. This program is 99% all natural. The goal is to take on childhood obesity.
- In 10 years Visalus Sciences wants to be the company responsible for making the difference in childhood obesity.
- Visalus Sciences wants to donate to GASC. When someone loses 10 pounds they get a shirt and get to donate 10 meals to the organization they choose.
- Visalus Sciences wants to come out to games and allow the parents and community to try the product.
- A question was how will it be handled? Will GASC get a kick back for product sold? Kelly said that commission could come back to the club. The executive board will discuss.
- We have a new shirt vendor: Starfish Productions.
- Dr. Hunt will donate 1\$ for each shirt purchased. The sponsor is The Harbour.
- Starfish productions is looking to provide spirit wear to parents at no cost to the Club. We will get money for allowing them to sell the shirts.
- Dick's Sporting Goods shopping day is July 20, 2013 from 10:00 am-3:00pm. Coupon books were passed out to all board members.
- We are disabling late registration fees.
- Marketing will take place through the schools and St. Michaels.
