PRESIDENT'S REPORT:

Paige Wildman submitted her resignation to the board. The board would like to wish her the best in her future endeavors and would like to thank her for all of her work she has provided to the club. Michelle Caldwell is a candidate for the secretary position.

We will be having a tent up at the recreational games in order to pass out information.

We have been asked to join a Hancock Regional Hospital Task Force to fight childhood obesity in Hancock County.

Daddy/Daughter Date Night was even better than last year. Amanda Norris did a great job on organizing the event. Almost all the girls were in our target zone for both recreational soccer and academy soccer

VICE PRESIDENT'S REPORT:     None.

#### TREASURER'S REPORT:

Daretta Engh reviewed the Treasurer's Report and the balance in the checking account is \$35,719.26, the certificate of deposit balance and savings balance both are around \$6,400. We have collected \$1,900 in no hassle fees this season to date. Amanda Norris will be taking over the treasurer position a little bit at a time.

SECRETARY REPORT: NONE

#### RECREATION REPORT:

For Spring, 2013, we have 72 teams with 610 children registered. This is down 10% from 2012. Biggest age decrease is U10. Our numbers have dropped from prior years, but a check with New Palestine and Upward at Mount Comfort indicate both of those clubs are also down. St. Francis also says they are slower than usual. We have 10 families in the shopping cart. Three email reminders have been sent to them. Shirts and socks have arrived and any overages will be stored for future seasons. Coach's meeting will be held and they will be urged to contact players during the weekend by both telephone and email. Several parents contacted by just one media complained they did not receive calls/email confirmations until after first practices. We are desperate for U8 and U11/14 coaches.

#### TRAVEL LEAGUE REPORT:

Number of participants is up by 32% from 2012. Biggest drop was U9 boys by 13%. Biggest increase was U9 girls by 57%.

ADULT LEAGUE REPORT: NONE.

#### UNIFORM REPORT:

Club stock has been given to the new players.

#### FIELDS REPORT:

Fields are open, but still wet.

INDOOR REPORT: Out of season.

#### SOCCER CAMP:

Camp is June 17-20, 2013 and the cost is \$50.

#### CONCESSION STAND REPORT:

Volunteerspot calendar has been created for the Spring 2013 season. The concession stand will open April 1<sup>st</sup>. More shifts will be added to volunteerspot as soon as the travel game schedule is available. Training is available the week of April 1-4 for anyone who would like it. Waiting to hear back from Aaron's regarding the sponsorship of little waters again this season.

COACHING COMMITTEE: NONE.

#### TOPSOCCER:

Spring registration is open. The Daily Reporter will be doing an interview at the start of the season. Fuse expo was a success. We had four registrations during the expo. We received approval to use three vendors email distribution for TOPSoccer signups. Fundraiser is set for June 8 from 6-10. An email has been sent to Uniroyal to see if they have any extra, newer balls.

#### SPONSORSHIP:

We have applied for a \$1,000 grant from Marsh for the TOPSoccer program. We will be putting up banners at the fields for McCleery's and PostNet.

#### GASC 5K: OUT OF SEASON

#### NEW BUSINESS:

Tim Reardon was voted in as a board member.

A motion to close the meeting was made and it was seconded. Next Greenfield Area Soccer Club board meeting will be held on April 11, 2013, at 8:00 p.m. at Hancock Regional Hospital.
