- The MOSA By-law change proposed by TRSA to extend the time to make up cancelled games from 2 to 3 weeks was approved. The proposal to reduce the time a player has to sit out after changing clubs during year from 5 to 3 games was defeated.
- MOSA asked that teams do not change names when registering for new season or they will be moved into the bottom flight of their age group
- There were 32 Red Cards with 11 by coaches during the fall season so they are still thinking changing the punishment for red cards
- MOSA will begin focusing on building a stronger Select Program with the hopes of keeping the stronger players in the league.
