

STAFFORD SOCCER CLUB
MONTHLY MEETING
August 4, 2011

Location: Ocean Acres Community Center

Time: 8:00 PM

Call to Order By: Angelo Cordasco, Pres.

The Ocean Acres Community Center locks were changed and since Angelo was not provided with a new key, the meeting was held outside.

Travel Report

- Roger handed out the packets with passes to the MOSA coaches – coaches are asked to test the print set-up on their printer to make sure cards will print correctly prior to printing out on the official card sheets.
- Concussion Training certificates need to be printed out by the user and handed in with other coach information (emails will not work as form will print out blank)
 - The link to the required, free concussion training course is http://www.cdc.gov/concussion/HeadsUp/online_training.html and can also be found at the SSC website
 - **All travel and recreation head coach and assistant coaches must pass course.**
- Guy Lockwood will enter new teams into GotSoccer website, which will generate email to coaches with user name and password, so they can enter information – please let Guy know if you are a new travel team
- The fields should be lined and ready in about 2 weeks

Recreation Report

- All Recreation coaches (except clinic) need to advise Angelo or Roger of their requested practice night, as well as any travel coaches who have not yet informed them.
- All Recreation coaches also need to make sure they either have their F-License or attend the Rutgers SAFETY course
- Doug said the Recreation Rosters should be out in about 2-3 weeks

Referee Report

- Referees will be needed this year – if there are any 12 year olds & up who would like to become a recreation referee, please let us know.
- They will need to make sure they pass Grade 9 course (list of classes can be found at njrefs.com)
- When club is shown proof that course is passed, they will be refunded \$25 by club and put on list to ref super clinic games at \$15 per game – intermediate rate is \$20

Thank you all for attending the meeting!
