SPONSORSHIP OPPORTUNITIES

OUR NEW FACILITY

The **New** Loudoun Soccer Park

It's an exciting time at Loudoun Soccer! We have moved into our state-of-the-art Field Turf complex on Sycolin Road in Leesburg across the street from the Leesburg Executive Airport and next door to Philip A. Bolen Park. This facility is the first of it's kind in Loudoun County and includes; two full size artificial turf fields under lights, an irrigated grass practice field, parking for over one hundred and fifty cars, permanent bathrooms and a concession stand. In addition, the Loudoun Soccer office is located here with conference rooms for meetings, educational clinics and club events.

The venue offers high visibility to our sponsors, not only on the fields to over 7,000 Loudoun Soccer families, but also through the use of the facility by other area sports organizations and the ability to host high-visibility tournaments. These tournaments draw some of the top soccer programs in the country to participate with over 5,000 in attendance during a weekend event. The annual anticipated attendance at the park is over 200,000. Support of this complex is an investment in the future of Loudoun County's children and their participation in the love of the game.

Loudoun Soccer believes that all sponsorships are unique and should be customized to your organizations individual needs. We look forward to having the opportunity to discuss how your company would like to be involved in this very worthwhile community facility. A limited number of unique sponsorships are available, with a few listed here.
