This team is a year-round team and will train two to three times a week as well as participate in additional technical training sessions and play games on the weekend (spring/fall). It will also require various winter and summer training commitments. The number of practices and the requirement for attendance at practices and games will necessitate a very high degree of dedication on the part of all team players and their parents. If your child is selected and you cannot make such a commitment, please do not accept a spot on the team. One of the other teams should be able to match your ability level and commitment. If you are accepted on the team and cannot maintain your commitments to the team, the coach **will** limit your playing time to represent your level of commitment in all areas.

In accordance with “VYSA Policy Regarding Nonpayment of Club/Team Financial Obligations by Travel Players”, approved in April 2012, players may be released by the team for non-payment of club or team fees. A team may release a player from the team roster for failure to meet financial obligations as outlined in VYSA Registration Manual (5.27). Accordingly, VYSA will not process a transfer of a player from one club/team to another during the seasonal year if that player is not current on his or her financial obligations.

**Additional Try out**

There are a number of players who may be either injured or who have conflicts with tryout dates. Therefore, a supplemental tryout may be held, should the coach wish to. Any additional tryouts will be at the coach’s discretion and information regarding such will be posted on the team website.
