New Coach Substitution Policy

All Head Coaches in the club are going to be tasked with the responsibility to manage Game Conflicts more professionally. Some conflicts are unavoidable despite everyone's best efforts (weather related game re-schedules, tournament conflicts, and other unforeseen circumstances). Despite that, the following policy is being put in place to help manage these situations better:

- 1) For Professionally Coached teams, it is the responsibility of the Head Coach to find a suitable professional coach to stand in for them in the case of a game conflict.
- 2) The Club will be providing a list of coaches to roster on all teams so that our Head Coaches have professionals to contact to stand in for them.
