

MYSL Make Up Game Process

1. The make up process is managed by the Home Team Coach.
2. Email the away coach using the email address on the schedule tab of the MYSL website. Suggest three dates/times that work best for you. Preferably your practice nights and Sundays for the Fall Season due to darkness issues (Sunday's are not allowed for U12 and above in the spring season – MYSL Rule). Makeup games take priority over all practices (other teams using the field with you).
3. Agree on a date/time with the away coach.
4. Email CYSA field assignor Brian Kobrenski (field_assignor@chelmsfordyouthsoccer.com) and Jim Jordan – CYSA Referee Director (referees@chelmsfordyouthsoccer.com OR cysareferee@gmail.com) with the requested date/time. They will coordinate with the referees and other Chelmsford coaches using the field and get back to you with approval.
5. Use the link from the email sent by MYSL to the Home coach.

Clicking the link and having agreement from the away coach does NOT guarantee you a field to play on or referees to officiate your game. Prior to using the link in the email from MYSL, Brian and Jim must give you approval.

6. Follow the MYSL process using the links below.
