I agree that if I am selected to referee games for Door County Soccer Association I will:

- Attend clinics and study rule books to call game correctly \_\_\_\_\_
- Work to be in correct position to see and make calls \_\_\_\_\_
- Understand by not making calls I may allow play to get out of hand and that may cause injury to players \_\_\_\_\_
- Understand that it is not my place to influence the outcome of a game, but to make sure all players are playing fairly and following the rules \_\_\_\_\_
- Be at all games 15 minute before scheduled start time \_\_\_\_\_
- Introduce my self to the coaches before start of game \_\_\_\_\_
- Inspect field and goals to make sure they are safe and ready for game \_\_\_\_\_
- Inspect players for proper gear and unsafe accessories before game \_\_\_\_\_
- Understand this is a job and the players, coaches and league expect me to be there as scheduled and I let everyone down if I do not show up \_\_\_\_\_
- If I am unable to make a scheduled game I will find a suitable replacement and notify ref. coordinator who that is prior to the game \_\_\_\_\_
- If an emergency situation occurs where at last minute I can not make it or I will be there later than 15 minutes before game I will immediately notify ref. coordinator and apprise them of the situation. \_\_\_\_\_
- If I am late and did not notify ref. coordinator, and in the mean time they have to get someone else to ref the game I was scheduled for, I have forfeited that game and my pay for the night. \_\_\_\_\_
- If I miss a game, that is not an emergency situation, I will be forfeiting my contract with DCSA and will no longer be eligible to ref \_\_\_\_\_
- If I miss more than 1 game for any circumstances I understand I am not meeting my commitment to DCSA and that I will be replaced. \_\_\_\_\_
- I understand that coaches and players will get upset if some one gets hurt or they feel I have made an incorrect or missed a call. I will explain to them the rules and why I made call with out getting upset or in an argument with them. \_\_\_\_\_
- If coach, player or parent continues to try to argue with me, or gets disrespectful, shouting or using abusive language I will inform him that I will be required to notify the league of their behavior and immediate contact ref. coordinator \_\_\_\_\_
