The purpose of this document is to inform coaches and players about the RRSO policy and standard for uniforms and provide guidance as to the current and new styles.

Number policy – There should not be any duplication of a number within an age group of the same sex so that players can move from one team to another without reinvesting in a new jersey. It is strongly encouraged that players NOT choose numbers used by players on teams in the older age group one year ahead.

1. Players that have been involved with RRSO the longest (current consecutive years) in their age group, get priority to their number.
2. Players on an existing team with an existing number on a team get priority to their number.

If you are a new player or an existing player changing numbers, send an email to president@rrso.org to confirm/approve your number choice.

2014-2015 Teams Uniform Standard

NEW teams in 2014-2015 or existing TEAMS choosing to get all new uniforms will get BOTH a Maroon and White jersey.

The standard uniform set will be:

- Adidas Tabela 14 jersey - Maroon/White with logo
- Adidas Tabela 14 jersey - White with logo
- Adidas Tiro 13 short – Maroon
- Adidas Copa or Copa Edge sock – Maroon with white stripes

The previous Adidas uniform sets can still be used.

EXISTING teams not needing to get all new uniforms, can replace with the teams existing style of uniforms but it is strongly suggested that they get the new styles instead.

The jersey number style is:

Jersey Number 8¼" 3-D Block Number

The RRSO Logo will be 4" in diameter screened on the player's left side of the jersey. White screen on the Maroon jersey and Maroon screen on the White jersey. A PDF file of the logo is available upon request.

Adidas Tabela 14 Jersey – Maroon (required for new teams)

We recommend this jersey be purchased in the Men's (Youth and Adult) style and sizes for all players. We don't recommend the women's version/sizes.

Adidas Tabela 14 Jersey – White (required for new teams)

We recommend this jersey be purchased in the Men's (Youth and Adult) style and sizes for all players. We don't recommend the Women's version/sizes.

Adidas Tiro 13 Short – Maroon (required for new teams)

We recommend this short be purchased in the Men's (Youth and Adult) style and sizes for all players. We don't recommend the Women's version/sizes.

Adidas Copa Zone II Socks– Maroon with White Stripes

(required for new teams)

This can be purchased in Youth and Adult sizes. Either sock is fine.

It is recommended that you order the uniforms larger than you think. You will want to get at least 2 years usage out of them and they generally run small.

We suggest that you may want to order an extra short and extra socks.

Team shown is from Fall 2009, the jersey style is no longer available.

How to Proceed in Ordering

Existing Player needing new uniform – If there is no change in your jersey number, complete the RRSO Uniform Order Form and submit it to the store of your choice.

Player (new or current) needing new uniform and new jersey number – Check with **Mike Moore** to confirm that your jersey number choice(s) is available. Once the jersey number is approved, contact the store of your choice to order.
