Presidents report (Mike Koval) Waiting on approval on dates from Chuck Abbott on stadium availability for Soccer Day in Fall.

Gettysburg Battlefield Blast- Deadline is July 6th. Who's playing?

Still need to fill positions on Board- Right now- Fundraiser person. Have to pay for Gettysburg, but additional tournaments will need a fundraiser chairperson. Need to find a way to ease costs of a club program for everyone. Was thinking we need to do something for July for additional fall tournament and to raise funds for the league.

Need an indoor coordinator. Any paperwork filed for next year? If we don't get one, do we need indoor? Change to an Academy Style?

Next year, President? That will have to be filled. Interested parties, who want to see what needs to be done, let me know or you are going in cold.

Congratulations to our U9 Boys Red Devils and U9 Girls Lightning for their runner up finishes in York Cup.

IM Spring- K-1- Have seen a couple games this spring- we need to be doing more to teach the kids playing. With no practices, it is mayhem at this age. Credit goes to the parents who step

up to coach and give their time. We need direction for the coaches, parents and kids.

Ideas???

We will need coverage at York USA Meeting next week as I will be away.

Fields Coordinator (Brent Silliman) Walked upper Miller and it is completely grown in where as a few months ago it had bare patches. Wethersfield has also grown back in nicely with all of the rain and the reduced usage.

Fall fields Options:

- Upper Miller - full size field
- Wethersfield - U-10-12
- Practice field for U10-12? - Assembly of God, Shrews. Elementary
- YMCA - short side
- Codorus Field 3 (baseball field) or Hametown or Codorus Field 2 - 2-3, 4-5
- Codorus Field 1 or Upper Hametown - 6-8, 9-12
- Any other suggestions or ideas?

I don't know right now what the condition of Codorus fields 1 & 2 are but if they are ready they should be used. There is concern regarding visiting travel teams finding the fields. If they are to be used for travel, signs would be helpful and directions will need to be prepared for York USA.

Will need paint for the Fall season.
