

We are very excited to announce that Royal Oak FC will be a part of the Summer Champions Cup (SCC) this summer.

The SCC was established in 2018 when numerous like-minded clubs came together to provide a summer league option for players to continue with their development.

What makes the SCC unique, unlike other summer league options, is the ability to get competitive matches in during the summer without the burden of weekend games or travel. We know the players want to play and the parents want a break, the SCC can provide that without exhausting all your weekends. If you need to miss for vacation, that is ok too.
