

HYS – Coach Incentive Policy

At Holden Youth Soccer, in an effort to get as many players as possible on teams with coaches set prior to season, we are implementing an incentive to coach for all our in-town programs.

Any person who volunteers and is selected to be a head coach for a season will receive one cash credit (\$85) for a future player registration. (max of one credit per coach per Season).

For the Fall 2025 Season this is eligible for all programs except our Travel program.

In order to receive credit, each coach would need to complete the steps as described below:

- Complete all required SafeSport online training courses
- Complete all required Concussion training
- Attend pre-season coaches meeting
- Attend pre-season Coaches training if applicable
- Complete end of season team evaluation for all rostered players within one week of season completion

For questions regarding this policy or to submit an incentive request, please contact us at registrar@holdenyouthsoccer.org
