

VALLEY CENTER POP WARNER SPONSORSHIP

VCPW Families, this season, we will be requiring a team sponsorship, each team will be given a \$500 minimum. This sponsorship will help with various items throughout the season and to help keep our registration fees lower than most of our neighboring organizations. With the \$500 minimum sponsorship each team will receive VCPW apparel, Breast Cancer Awareness Socks & Mouthpieces as well as end of season trophies and other items needed throughout the season.

Please reach out to different businesses and family members to help reach this goal. You can refer donors to the attached sheet that shows the suggested donation amounts and what advertisement and recognition each business will receive based on their donation amount, this sheet is also available on the vcpopwarner.com website.

Any cheer team reaching \$750 total for their team sponsorship will get a pizza & root beer float party!

The sponsorships are due by AUGUST 28th in order to prepare any banners for the start of the season. Any sponsorships submitted after this date will have a banner made as soon as possible and displayed at the next home game.

Thank you for your continued support of our players!

-Checks can be made payable to VCPW, receipts available to businesses upon request.
