Recreational Soccer - Spring 2017 Registration is now closed. We are busy forming teams and will have rosters posted near the end of March. Late registration will open March 10th, during which time players can register if there is an open spot in their age division.

Please join us for our ROYSA Club charity event - Save the date, April 21st.

ROYSA will be partnering with *Fleece & Thank You* for a club event to create blankets and video messages for warriors in Beaumont hospital. This organization provides comfort and hope to children beginning their hospital treatments by offering a colorful fleece blanket upon admission.

The ROYSA team event will take place at the Northwood Elementary cafeteria on April 21st from 7:00-10:00pm. Here, everyone can get together for a fun night with your soccer team and make blankets! More info about the organization can be found at fleeceandthankyou.org, and we will be sending out further details on this event very soon!

Royal Oak Futsal League - We have wrapped up our 6 week session, thanks to all of you that came out and joined us!

Miner's Den Jewelry - Miner's Den was founded in 1971 at its present location in Royal Oak Michigan. With a family history dating back to the California gold rush of the 1800's, the Miner's Den offers unparalleled knowledge gathered from generations of experience. We maintain a collection so vast we truly have something for the person who likes the unique and different. Beginning with a few tons of rock in 1971 the Schowalter family has built the Miner's Den into one of the leading suppliers of jewelry in the area. With a 4,000 sq. foot showroom, one can view our entire inventory in a comfortable and relaxed atmosphere. [Miner's Den Jewelry](#)

10 Reasons Kids Should Play Sports

I was a gymnast for 15 years, my husband was a wrestler, and we both competed collegiately at Rutgers University. Obviously, we are advocates of organized sports. We firmly believe that sports (when balanced with other activities) gives children the opportunity to grow into well-rounded, confident, hard-working adults. Don't believe me? Here are 10 reasons kids should play sports. [Click for more...](#)
