WYS Tennis Lessons 2024

Tennis lessons are open to tennis players ages 5-up during Monday-Thursday. We have lessons that last 45 minutes, for the younger players and 1-hour lessons for the “older” players. This year we are offering advanced lessons as well as lessons for adults. We are also offering tournament play for players who want a competitive experience, when possible. Please refer to lesson descriptions and prerequisites before placing yourself or your child in a class as our lessons build on skills from previous skill development.

- Each session is 4 weeks long.
- The first session runs from July 1, 2024-July 26. The second session is from July 29- August 23
- With no exceptions - no refunds after the first week of lessons.
