

Program Overview -

The Leicester Soccer Club programs are designed as a gradual progression for players to develop. Our In-Town (U4-U8) programs are designed to help introduce the game of Soccer to our beginning players, and then eventually teach them the elements of game play. The Travel Soccer system is one that gradually increases in player and field size as players progress.

<u>Level -</u>	<u>Location -</u>	<u>Grade Levels -</u>	<u>Practices -</u>	<u>Games -</u>
