Please utilize the following format for sessions. Each team should use the first 30-35 minutes for a training session within the team. Teams should then split squads and play a 3v3 game, using free substitutions for

**the remainder of the time together. The program facilitates play through the provision of alternate shirts. Available at <http://www.ttrec.org/soccer/training.html> is a complete training manual and four separate lesson plans for coaches' use.**
