

SMYRNA SOCCER CLUB NEEDS YOUR SUPPORT

Youth Sports is a critical part of a child's development. Many studies have been done showing kids who participate in youth sports often do better in school, stay out of trouble, and learn valuable life lessons through athletics. The Smyrna Soccer Club is a non-profit organization that operates solely on membership fees and with the help of community sponsors. Please join us in promoting youth sports by supporting our sponsorship program or by making a donation.

Keep in mind that sponsoring Smyrna Soccer is not only good for the kids but can be great for your business as well. With over 1,250 kids, the Smyrna Soccer Club can be a great resource to market your business not only to our members but the hundreds of families from other clubs that come to play against us on our fields.

**Smyrna Soccer Club is proud to offer three sponsorship packages.
