

Recreational Soccer

Tonka United has a recreation soccer program that has more than 1200 participants! Kids about to enter kindergarten through those about to enter high school are encouraged to play the game of soccer with their friends and fellow classmates. No scores are kept (at least not on paper!)

The 10 game season starts in May and finishes with the Tonka Blast Tournament in mid-July! Practices are usually 1x per week with games 1 x per week.
