While many of these items are very necessary we have security to take care of your personal safety needs!

This is What the Lord Says:

“Stand at the crossroads and look... Ask where the good way is and walk in it, and you will find rest for your souls.” Jeremiah 6:16 (NLT)

We believe The Teen years to be one of the most important times in life. We feel like the most crucial decisions of life are made here. Who to date/marry where to go to college, what profession to pursue... It's the Crossroads of life. We want “The Crossroads” to be an experience where teens can slow down and look at the paths laid before them, and choose God’s path “the good way” and walk in it. We want our teens to be challenged, uplifted, and encouraged to follow God in every area of there lives. In addition to following God themselves we want to challenge them to “live it loud” so there friends, family members, and anyone they come in contact with can see the path they have chosen!
