Rob has been coaching for WFC Rangers since 2002 and brings a wealth of playing and training experience to the club. Rob served as an assistant coach for Rangers teams in his first two years with the club, and since 2004 he has been the head coach of two teams each year. Rob has taken a team to the semifinals of Washington Youth Soccer's Challenge Cup and his teams also have won such prestigious summer tournaments as the Evergreen International (now the Washington Rush Cup). Rob is known among his Rangers coaching colleagues as a keen student of the game, and he holds the United States Soccer Federation's 'B' national license and the National Soccer Coaches Association of America's National Diploma. He played at Lake Stevens High School and Western Washington University. Rob says his goal "is to help each player and team express their personality, gain confidence and have fun playing the beautiful game."
