

## SPORTS QUEST PARTNERS WITH CAMPUS CRUSADE FOR CHRIST AT AUBURN UNIVERSITY

*Testimonial by Matt Richter  
(Head Coach/Chief Coordinator & Sports Quest Summer Camp Staff Member)*

“Sports Quest was instrumental in assisting me with my ministry goals and passions here in Auburn. They provided me with all the equipment, balls, goals, scrimmage vests, cones, coolers, table, all packed away nicely in their trailer. It was superb!

On top of that Jim Spence (Sports Quest Founder) kindly allowed me to use his devotional material for the 5 weeks of my camp. Each one of the weeks made sense to all of the kids and they truly soaked in all that we had to say. The camp was every Friday right after school for 5 weeks. We had 90 kids sign up and around 40 volunteers. The Campus Crusade staff mentioned to me that this soccer camp was

the most productive and best thing that Crusade was a part of this spring.

The staff thoroughly enjoyed it too, enough to commit for next year and even continuing ministry with the kids this summer and in the fall. The kids were a blast as well. Many of them come from single family or broken homes. Though they were quite rowdy at times, having loving and patient college kids there to love on them made the world of a difference. Sports Quest, though, was truly the driving force behind this camp.”
