

SPORTS QUEST PARTNERS WITH HARVEST BIBLE CHURCH FREE SOCCER CLINICS: MARCH 6 – 27, 2011

Testimonials

"Sports Quest did more than just help our Youth with soccer skills. It did more than share the Gospel to those attending who were lost. Although those things were definitely accomplished, Sports Quest provided a time and theme for our youth to come together. Months later, the kids who participated in the outreach are still better friends because of it. It strengthened the existing bonds between us. Our group is looking forward to coming out and volunteering in the June 20th Sports Quest Camp in Fairfield. In addition, the ones who came as guests were planted with the seed of God's Good News and are still asking questions about it. We look forward to building on the experience and having you back out this fall if possible.

Thanks Jim and all at Sports Quest. You guys are blessing to the Body of Christ in ways that you may never know this side of Heaven."
