

SPORTS QUEST AND UNIROYAL PARTNERS WITH GRACE PRESBYTERIAN CHURCH THROUGH PROJECT 180

THE HISTORY OF PROJECT 180

Five years ago, the leadership of Grace Presbyterian Church asked, “If we ceased to exist would the people of Houston miss us?”

This challenging question birthed a commitment to become an active and serving participant in our West Houston community.

Project 180 changes lives. It raises awareness and restores a sense that life is better when we care, serve, and love our neighbors.

The main goals of Project 180 are to:

- **Serve** our community within a 5-miles radius of the campus of Grace
- **Engage** and involve our members and neighbors
- **Strengthen** relationships with schools, businesses and the West Houston community
