

## Sports Quest Partners With Fairfield Baptist Church

*"Loving others at Open Gym" – Aldine, June 6-10, 2011*

"Woohoo! We had an amazing time at Open Gym last week. We culminated the "646 Experience" by leading a Mega Sports Camp VBS for First to Sixth graders in the Aldine area (it turned into 4 yr olds to 9th graders!). We partnered with Tammy and Kurt Harman, LINC, Sports Quest (who supplied all the soccer and basketball equipment, plus donated backpacks to every camper) and Ministry Partners from our own Fairfield Baptist church for a total of about 15-20 Ministry Partners each day!

"Thank you so much, Pastor John, for letting us be part of this. Our interns who helped absolutely loved the experience and I know the children did as well. Even if they did not profess faith in Jesus right there on the spot, you and your team plowed the field and sowed the seeds. The children were loved; they learned about Jesus and His love for them. That is so very important. Bless you all!" Gwen Franke, Director of Community Programs, LINC-Houston, [www.linchouston.org](http://www.linchouston.org)

We had 26-36 kids in attendance Monday through Friday, and seven of them responded to the Gospel. Woohoo again!

It was a leap of Faith on many levels. Several times I thought about how Peter must've felt when Jesus told him to step out of the boat. We kept our eyes on Him and he pulled us through!

Thanks for your prayers and support as we loved God by loving others while expecting nothing in return. And praise the Lord for the campers who entered into a lasting relationship with Jesus Christ!"

John Walls,  
Kidz Pastor,
