

Fall League 2017

Only 1 Week Left for Registration!
Space is Filling Up Quickly!

September 22, 2017

Good Morning!

With only week left for registration before the September 29 deadline, space in the Alliance Fall League is filling up quickly!

The Intermediate Division is at 90% of maximum capacity, while the Developmental Division and the Advanced Division are both at greater than two-thirds of maximum capacity, respectively, as well.

Our staff will continue to do our best in honoring requests for team placement with requested friends, classmates, neighbors, etc. If you have submitted a request for your child to play on the same team as a friend or classmate – *and that friend or classmate has yet to complete registration* – they must do so immediately to increase the likelihood that we'll be able to accommodate the request.

Alliance is also pleased to announce the addition of the following coaches to the Fall League coaching staff:

- Alexandra Sealy (Current 15-3 Assistant Coach; Current Father Ryan High School Assistant Coach)
- Brianna D'Errico (Current 13-1 Assistant Coach; Supervisor of Alliance Exercise & Sport Science Program)
- Holli De'Jordan Brown (Collegiate Career @ University of Alabama Club Volleyball)
- Wendy Munzel (Current 16-2 Assistant Coach; Former Ravenwood High School Head Coach)

Registration for the Alliance Fall League – along with additional information about dates/times and answers to frequently asked questions – is available at www.alliancevbc.com. Fall League 2017

Only 1 Week Left for Registration!
Space is Filling Up Quickly!

LABOR DAY UPDATE

Earlier this weekend, I began the initial stages of forming teams and assigning practice times. If you have submitted a request for your child to play on the same team as a friend or classmate – *and that friend or classmate has yet to complete registration* – they should complete registration immediately in order to be guaranteed placement on the same team.

Registration #s for the Developmental Division has already surpassed last year's #s for that division, and the Intermediate Division is at about 65% of maximum capacity. As a reminder, the deadline to register for the Alliance Fall League is Friday, September 29 **OR** whenever the league – i.e. each division – reaches maximum capacity. Moreover, if a family is sensitive to a preferred practice time ... the earlier we receive the child's registration, the greater the likelihood we'll be able to accommodate the preferred practice time.

As noted in my previous communication, Alliance's Fall League has always been well-supported by its current club coaches, former club coaches, current high school and middle school coaches, and former collegiate players. 2017 will be no exception!
