

Alliance VBC – GL Scrip Fund Raising Information

About Scrip:

Scrip is an easy way to earn funds for your daughter's volleyball account. By simply planning ahead on everyday purchases like groceries, gas, restaurants, clothes, entertainment and home repair, you can earn funds for to help offset volleyball fees by purchasing gift cards through the GL Scrip Program.

How do I sign up to participate in the Alliance Scrip Program?

Go to the website: <https://www.shopwithscrip.com/login/register.aspx>. You will need the account number **67111CC72356L**. Once you enter in your information and the account number, you should be prompted to set up PrestoPay by entering your banking information. (Yes, it's safe.) This is how you will pay for your scrip cards. (You must set up a PrestoPay account to participate in the program.) Once you have your presto pay account set up per the instructions below, you will receive a 4-digit code. Please send the code to the Alliance Scrip coordinator for your account to be activated. It takes a few days to get the code back, so if you want to start in the program, get set up right away.

You can create an account with just an email address. However, you must associate your account with an enrolled non-profit organization (Alliance account number **67111CC72356L**) and set up a PrestoPay account before you can submit orders.

Go to URL below to create your Scrip registration:

How do I set up a PrestoPay account?

1. Click on the PrestoPay link in the left navigation bar of the Family Home Page.
2. Enter your bank account information where requested.
3. Within 2-3 business days, Great Lakes Scrip Center will deposit two small amounts in your bank account. You then enter these amounts in your Presto Pay registration to verify the account. You will be asked to choose a PIN number to use for online payment.
4. Once you complete step 3, you will receive an email with an approval code that you should send to the Alliance Scrip Coordinator to activate your account.

How do I receive my Scrip rebate credit?

Once the Alliance Club order is submitted, the Alliance Scrip coordinator will send Scrip credits for each family that placed an order to Carolyn Earp and she will apply the credit balance to your Alliance account.

How is shipping paid?

The shipping cost is deducted from your Scrip credit before the total is applied to your account. Shipping costs are divided equally among the families that participate in an order. The preference is to have at least 5 families order at a time to minimize the shipping cost for everyone.

How often are Scrip orders placed?

There is not a set time for orders. During the year the Alliance Scrip coordinator will send an email to check for interest. If there is enough interest, a date is set by which orders should be input on the Scrip website for processing. However, during the holiday season there may be more frequent orders due to increased interest. The preference is to have at least 5 families order at a time to minimize the shipping cost for everyone.

How long does it take to get my order back from the time I input my order?

The turn around time is usually not more than a week. Orders are shipped via UPS ground, which takes about 2-3 business days to arrive at Alliance. Once the order arrives at Alliance, the order is sorted and available for pick up at the front desk at A-Game. The Alliance Scrip coordinator will notify by email when the order is ready for pick up.

ScripNow & Reloadable Gift Cards:
