

Ohio Galaxies FC Payment Structure

In order to accept a position with Ohio Galaxies FC, families are asked to either:

---Pay \$900

OR

---Make a minimum payment of \$150 to complete the application process
PLUS

Monthly payments of \$150, July 1 to Nov. 1 (bringing the total paid to \$900 by Nov 1.)

A final installment will be due in February to cover the remaining balance due. The balance due will vary by team based on the leagues, tournaments and activities of the team.

Please note the following:

Failure to make the minimum payment means the player has not accepted the roster position.

Failure to follow through with installment payments may result in the installment option no longer being available and the player not being able to participate until financial obligations are met.

All fees are non-refundable.

In the case of an **injury** that affects more than half the season, the club may allow for a credit to be applied toward the following season's fees based on a prorate of the time missed.

Families with **multiple players** within the Ohio Galaxies program will receive a credit of \$100 towards the youngest player's fees. This credit will be applied in February, prior to the final payment due date.

Shift Requirements:

Each player's family is obligated to work one shift for each club sponsored event your team(s) participate in. This includes the OGFC Fall Showcase, OGFC Spring Showcase and the Creek Classic (For multi-player families, the maximum shift requirement is 4).

These events generate income to offset club expenses, and allow our teams to play locally, saving money on personal travel expenses. The success of these events is contingent on the participation of our families. We appreciate your help in hosting a competitive, quality showcases that teams and college coaches
