

Good Morning AYL,

We wanted to give everyone an update on pictures. We will be having pictures on Sunday May 22nd after the t-ball games. T-Ball ends around 11. We will be doing each team in a 15 minute block. **For all teams EXCEPT T-Ball (for T-Ball, see below), we kindly ask that you assemble your team in the parking lot and come down as a team to minimize the wait and distractions.** This was done last year and pictures were done very smoothly. If pictures are running early we will let the next team know. Coaches will be getting forms sometime this week and will start passing them out. The photographer put her venmo qr reader on the form. You can pay via venmo,cash and check. If you pay by check please make it out to Megan Stanley and then put your childs name in the memo line. Please know there is no obligation to purchase a package. However we would like all the players in the team photo so please plan to stay for that if possible.

**For T-Ball:** Before we take any team photos, we will be taking a full group photo of all T-Ball players to send to our Diamond Sponsors (that are on the back of the jerseys) to thank them for making Tball FREE next year! So, T-Ball players will meet on Little Fenway after their games to line up for this group photo first. After the Sponsorship photo, we will begin taking team photos based roughly on the timeslots listed below. Once team photos are complete, if you are not having individual player pictures taken, you are free to leave.
