What happens when you match a great soccer team looking for their first ever home victory and 205 Big Sun Soccer players/parents/coaches bursting with positive energy??? A 4-0 victory, of course! The match featured 2 dozen 9 to 11 year soccer stars from Big Sun serving as ball managers during the match. It was clear the soccer magic each ball manager brought to the game was just what the Lions needed. It's even suspected that one of our ball managers, Dimitrius Mikedis, standing behind the goal during Kaka's penalty kick tilted his head in the direction the kick should be taken and VOILA.....GOOOOAAAAALL! Thanks to Coach Josh Scroggie and Brian Behan for helping keep everything smooth and organized. Can't wait 'til the next trip!
