

SJSL Inclement Weather Policy

SJSL will follow the following inclement weather policy for league wide decisions:

If a club determines that its fields are closed, unplayable or going to be unplayable, the club reps must email the SJSL Games Commissioner no later than **8:00 am** so that the commissioner can contact the referee assignor. If the games are being moved to a different location, you must inform the Games Commissioner of the new location and all of the teams that are being moved. The club must ALSO follow the "To Close Your Field" link and report the field closed and any additional required information. Please direct your coaches to immediately contact their opposing teams.

8:00 - 8:30 am: The SJSL Games Commissioner will make the decision to cancel that day's round depending on weather conditions. For the fall season, the round is normally made up on an open weekend or scheduled as make up games. In the spring season, however, a round cancelled for inclement weather is not normally made up.

8:30 - 8:45 am: The SJSL Games Commissioner will notify all SJSL executive board members and assignors of his/her decision.

8:45 - 9:00 am: The club reps will be emailed the decision to close the league and information on if and how the round will be made up. If the league is playing, no email will be sent. The final decision will also be posted on the www.sjssl.org website.

9:00 am: If the league is NOT playing, the club reps should begin calling and informing their coaches and directing them to call their teams.
