5. The **Team Settings** page will open.
6. Click the **Register for a league or tournament** button in the Leagues & Tournaments area of the page.
7. Review the **League** details and the contact information for **Bill Amberg**.
8. Click the **Register Now** button in the top right corner when you are ready to proceed with registration.
9. Follow the prompts as you continue through the registration process.
10. Choose the **Playing Category** for the selected team and make sure the individual form for the team is completed before moving forward.
11. Continue the registration process and complete **Payment** of the registration fees.
12. Repeat this process for each team you want to register to the league.
