SoccerColorado requests your help as a referee for youth soccer games in Golden, Colorado.

We assign games for Colorado Ice Soccer club in Golden. Colorado Ice plays their upper recreational and competitive home games at the Rooney Road soccer complex and their young recreational games at area school sites.

CYS competitive and option 1 games begin this weekend (August 29 and 30, 2009) and the developmental and interleague games begin Saturday, September 12, 2009.

Please take a few moments to sign up through our web-based assignment program, GameOfficials.net and schedule your availability to work games.

Thanks in advance for your assistance and consideration

This letter has been sent to all referees in the Golden, Arvada, Colorado areas. If you have already submitted your availability – Thank You So Much! If you have not submitted your availability, please take a few moments and do so today. If you wish to be removed from our mailing list, please send a request to refassignor@SoccerColorado.net

To submit referee availability through GameOfficials.net:

Step 1

Go to www.gameofficials.net

Log in with your User Name and password.

SoccerColorado group # 1061

Password: SoccerColorado

Enter ALL of your personal contact information, including your user name and password. You can choose to make your contact information private or public to fellow officials.

You will be required to enter 2 email addresses, if you have only 1 enter the same email address twice

Expand Cell/Pager/Email Notices

Set up text message/email notifications

Expand Cell/Pager/Email notifications: The options include Per Game notices or Per Batch Notices. Most

referees prefer to receive game notices per batch to cut down on the individual emails and texts you will receive. It is your option and can be changed at anytime

Step 2

My Preferences:

Game/Team Conflict

Expand and provide details of teams that you will have conflict with (ex: list your team name/age group/team number)

League/Tournament Preferences

Expand and check the boxes of all events you would like to work

Location Preferences

Expand and check all the locations where you would like to work games as well as those you might consider doing games at.

Step 3

My Availability

Update My Availability you are assumed to be unavailable unless you update your account.

Referees can provide availability for any day of the year, at any time.

Provide us the time frame for dates that you are available to work. Enter notes regarding availability as you see fit

Remember – you can update your availability at any time AND you will not be assigned games unless you add days you are available in the system.

Step 4

My Assignors

Join New Group will allow you to link your account with another Assignor. This will enable you to use your existing account to access games from multiple Assignors without having to use separate logins for each Assignor.

In order to join a new group this way, the you must have been given the Group Number and Access Code of the Assignor/Group you wish to join.

Once you have been added to the new Group, the new Group name will be listed in the Group Link Request table. You will be able to switch between Groups with your existing login by returning to this page and clicking the "Switch" link to the left of the Group you want to switch to
