USA Baseball:

FMYSA signed a contract with them in 2021 for background checks for our coaches. The new change is coaches must take an abuse awareness and background check yearly. This was due to new laws being passed for the protection of children.

Protected Rosters:

Discussion on how many players a coach can protect in rec baseball. 3? 4? Too many “top-heavy” dominant teams, but equalizing the teams give the kids a chance to experience different coaching. Possibly shrinking roster size for younger teams.

Spring / Summer 2023 Calendar:

Will be updated on the coaches’ corner outlining all important dates

Master planning calendar outlines blackout dates and will be presented to the Town of Flower Mound on Monday, 1/23/23.
