- b. Question asking when select registration will open
- c. Question asking if there will be a 12U FM Select softball team. Jack said it has not been determined yet.

Justin, new equipment director will need to get an email out to find out which coaches still have equipment bags out from last spring and summer baseball.

Jeff discussed the possibility of moving in-person registration to Dick's Sporting Goods.

Jeff stated that financials will be available and discussed at next open meeting.
