

VGSA

Vancouver Girls Softball Association

**SPONSORSHIP
OPPORTUNITIES**

How You Can Help

Thank you for interest in becoming a sponsor of the Vancouver Girls Softball Association. Since 1963, we have been providing girls from the ages of 5 – 18 with the opportunities to play fastpitch softball in an environment focused on building strong, confident players. The lessons of athletic skill, strategy and teamwork learned through this challenging sport remain with our girls throughout their lives, and their experiences at VGSA become some of the most cherished childhood memories.

Please consider supporting our organization through the following sponsorship levels so we can continue to provide quality softball programs for all southwest Washington girls.

Premier - \$1,000

This level includes sponsorship of our annual Hall of Fame event, a 3' x 6' banner to be displayed at our fields throughout the year and a page dedicated to your business on our website.

Sign - \$500

Show your support to VGSA and promote your business to the thousands of visitors to our park every year through a full color banner displayed at our complex. Cost includes the printing of a 3' x 6' banner but artwork should be supplied by the sponsor.

Team - \$500

Team jerseys will be printed with your logo on the back and your company will be promoted on our website as a sponsor. At the end of the season we will also provide a framed photo to hang in your office.

Hall of Fame - \$250

Your business will be listed as a sponsor of our annual Hall of Fame event plus we will promote your business on our website. This event honors some of our most valuable coaches, volunteers and players every year.
