January 3, 2025

Dear local business owner,

On behalf of the children of Wakefield Little League, we respectfully ask that you consider providing sponsorship from your business or organization for the 2025 season. Like many other not-for-profit organizations, our annual budget relies on local support in order to keep registration fees as low as possible. To the extent you are able to provide sponsorship this year, the families of Wakefield Little League would greatly appreciate your generosity and investment.

Your sponsorship and contributions lead to:

- Keeping our registration fees as low as possible for families
- Improved playability and safety at our many fields
- New equipment and uniforms for the players
- Maintenance and/or purchase of new machines/tools for the fields

We have listed a variety of sponsorship opportunities on the attached form that allows you to determine how to best ensure that the families of Wakefield's athletes can recognize your contribution, and in turn support your business. By completing the attached sponsorship form and selecting a donation that will work within your budget by March 1st, you will gain visibility throughout the Little League season. All sponsors who contribute above the "Single" level will be included on our website, which is constantly viewed by Wakefield families.

Fence sign space is available at both Fernald Field and the two Nasella Playground fields. These fields will host games and practices between April and October, including all-star games and Jimmy Fund games against players from other towns within our district. What a great way to show your support for the Little League program, and to have visibility with members of the Wakefield community and neighboring towns.

Please do not hesitate to reach out to the league with any questions. We thank you very much for your consideration.
