

PICNIC

Immediately following the Opening Ceremony on Wednesday, July 13, WSLI will host a pre-tournament dinner catered by Pure Perfection, a local small business owned by a WSLI family. The picnic will be held in the West Springfield High School Cafeteria. WSLI will provide courtesy meals to all players and coaches, and we welcome families and friends to join us. Meals must be pre-ordered, and only a limited number of tickets will be offered on the day of the event (\$15). Menu and pricing are below. Complementary drinks will also be provided. Payment for pre-ordered meals must be provided during tournament registration on July 13. We are unable to accommodate special meal requests for allergies, but if you have a child with a food allergy, you are welcome to bring your own meal and still join us in the cafeteria.
