I Trust In God  
I Love My Country  
And Will Respect Its Laws

I Will Play Fair, And Strive To Win  
But Win Or Lose, I Will Always Do My Best

- Little League Pledge

**Dear WSLI Members and Families,**

I am writing this letter shortly after coaching what is probably my last game on Three Rivers field. My children are growing older and won't be on Three Rivers for their games anymore. This may not seem like a big deal to most of you, but Three Rivers was the field where I played my first T-ball game years and years ago. I still remember, to this day, playing T-ball with my mother watching from the stands and my father coaching. Today, I got to coach my son with my mother and father watching from the stands as grandparents. I am sure my parents were having flashbacks to me playing in the dirt while the batter was swinging, but also loving every moment of watching their grandchild.

There is a point to that bit of nostalgia. Little League baseball is about creating memories for every generation involved.

Each coach and manager in our league works hard to teach the fundamentals of baseball. We stress that it is a game and not the meaning of life. We strive to win, but if we lose we move on the next game. If one of our players makes a mistake, we pick them up and get them ready for the next play. We make sure that the game is not about one person, but a group of kids working together for a common goal as a team.

When all is said and done the kids remember the friends they made, the epic battles of wall ball played against the concession stand and the games they watched with their parents hanging out after their own ball game. Take a look at the kids next time you're at the field and see how much they love their Little League experience.

When they are adults they will be reminiscing about their days at Byron Avenue Park as I am today.

Enjoy the memories from the 2010 season.

# *Just a Little Boy*

---

---

He stands at the plate with heart pounding fast.

The bases are loaded; the die has been cast.

Mom and Dad cannot help him, he stands all alone.

A hit at this moment would send the team home.

The ball meets the plate; he swings and he misses.

There's a groan from the crowd,

with some boos and some hisses.

A thoughtless voice cries: "Strike out the bum."

Tears fill his eyes; game's no longer fun.

So open your heart and give him a break.

For it's moments like this, a man you can make.

Keep this in mind when you hear someone forget.

He's just a little boy and not a man yet.
