

HOOKSETT BASKETBALL COVID-19 POLICIES

Hooksett Basketball continues to actively watch and follow the reports from the State of New Hampshire and CDC and will update policies as needed.

Here is our current policy (updated November 15, 2021)

Limiting Crowds

- Games will be spread out more than in past years to minimize crowds.
- Please be aware of the number of attendees you plan to bring to the game to limit the number of spectators.

Equipment

- Balls - This year we are asking players to bring their own basketball balls to practices. Hookset Basketball can give a ball to kids who need them.
- Please visit our website for ball size suggestions per division.

Illness

- If a player or household member show signs or symptoms of Covid-19, cold or flu or have tested positive for Covid-19 please do not attend any Hooksett Basketball event.
- If a player tests positive for Covid-19 the coach must be notified. The coach will alert the board and board will determine next steps.
- Should a player start showing signs or symptoms during a game or practice they will be immediately sent to designated area which is located in the hallway outside of each gym. A parent/guardian must leave with the player immediately.

Contact Tracing/Quarantine

- Hooksett Basketball will use the same protocols for contact tracing, self observation and quarantine set forth by the CDC, NH DHHS and Hooksett School District.
