STATEMENT RELEASE

PLEASE READ BELOW FULLY

On behalf of the Mechanicsville Braves Youth Football and Cheer, we extend the following message.

The Mechanicsville Braves Youth Football and Cheer Club has recently had a turnover of board members. Following the change of board members, it was discovered that there were many financial inconsistencies in the club books. These inconsistencies were brought to the attention of the St. Mary's County Sheriff's Department and all applicable documents were turned over for review. After a thorough review of documents in question, the St Mary's County Sheriff's Department has decided to pursue charges against a former board member. MBYFC has and will continue to provide full support to its members and the St. Mary's County Sheriff's Department during this ongoing investigation. This situation will not distract the current board from their duties and goals of providing our children the opportunity they deserve in youth sports. We would also like to thank the St. Mary's County Sheriff's Department, our sponsors, and our dedicated families for their continued support.

Respectfully,

Mechanicsville Braves Youth Football and Cheer Club

Update -

Official charges were brought to a previous board member for embezzlement. Restitution has been made to the Braves and while we cannot right the wrongdoings of our previous participants, we will give back to the children for years to come with the restitution made to the organization.

Any further legal matters will be handled outside of the organization within the community's justice system.

THANK YOU to the current board members who recognized the wrong doings and their persistence in ensuring restitution was made to the club!
