Title: Coaches and Managers Meeting

---

Hello Coaches and Managers,

**Items within: (1) RSC Coaches/Managers meeting, (2) District Summer Schedules out soon via EMAIL/WEB, (3) Concussion Training**

Rebels Soccer Club Team Training is well underway. So far so good, be sure to let me know if you have any questions or comments on this.

**Regarding** the much needed annual Coaches/Managers meeting, we are scheduling this for **Sunday, April 27 at 7:00-8:30pm at a Champlin site TBD.** My hope is to have the Coach(es) and Managers all present however only 1 representative per team is required to be in attendance or passes will be with held until we are contacted and all club info is received. We will have Coaches shirts available at this meeting as well as Club Equipment ready.

This meeting will also cover Coach's Code of Conduct, Risk Management, Field Accessibility, Referee Info, Club Equipment, Team Pictures, Club Events & Tryouts. Please plan accordingly...thanks!

**Regarding** District League Schedules, there is a change this year in how this is taking place. Each team will receive an email with a link to view a brief webinar followed by the chance to view there schedule. This web based procedure takes the place of the traditional District meeting. From there, teams will have a two week window to make any reschedules a team might need. After that the only reschedule allowed will be weather related period. The MYSA states the online presentation for Summer League is April 11. **Checkout the MYSA site for more information.**

**Lastly, reminder of Concussion Training.** New Coaches AND Managers need to complete this training. Certification is good for 3 years! You can go here to complete. [Http://www.cdc.gov/concussion/HeadsUp/online\\_training.html](http://www.cdc.gov/concussion/HeadsUp/online_training.html) If you do have one, please send the certificate or proof of completion to Jeanne and Gary at [registrar@rebelsoccer.net](mailto:registrar@rebelsoccer.net) and [vicepresident@rebelsoccer.net](mailto:vicepresident@rebelsoccer.net).
